

STEVE HOLMES

Co-Founder

Steve Holmes, a seasoned human capital management (HCM) executive and accomplished entrepreneur, is co-founder of ShiftPixy. With nearly 30 years of experience in human resources services, Holmes has established a track record for helping organizations, ranging in size from small and midmarket businesses (SMBs) through Fortune 500 companies, drive efficiency in HCM initiatives. In addition, he has successfully founded and sold five human resources services businesses, all of which are still operating today.

Most recently, Holmes founded workforce management services and solutions provider XccelerateHR and served as its chief operating officer and vice president of sales. Prior to that, he founded – and subsequently held executive and strategy-driven roles with – Atlas Resources Inc. (formerly U.S. National Employee Leasing), Consolidated Personnel and Professional Employee Solutions.

Throughout his career, Holmes has remained steadfast in his commitment to building client-focused workforce management businesses that help companies offload administrative duties, navigate compliance requirements and gain greater operational efficiency.

Holmes attended the University of New Mexico, where he majored in business administration and management, on a full football scholarship.
